THE RECIPES*Pinto Bean***FAJITA BOWL****SERVES 2**

THE RECIPES

Cheesy Zucchini NOODLES

SERVES 4

This secret to the cheesy flavor of this vegan dish is nutritional yeast flakes! If you haven't tried them yet, be prepared to be amazed – they are a “must” for your pantry. And if you want to jazz it up a bit ... this recipe is DELICIOUS with the addition of a pint of halved cherry tomatoes. Just add them to the skillet with the garlic and saute for a few minutes before adding the zucchini.

NOTE: You can use already prepared zucchini noodles or you can make your own by using a spiralizer or vegetable parer – simply shave your zucchini into long ribbons.

**INGREDIENTS**

- 3 medium zucchini, spiralized (or 3 12-oz packages of pre-cut zucchini noodles from the produce section)
- 2 Tbsp extra virgin olive oil
- 2 cloves garlic, minced
- 3 cups packed baby spinach
- 2 Tbsp nutritional yeast flakes (or to taste)
- Sea salt and freshly ground black pepper, to taste

**DIRECTIONS**

1. Heat the oil in a large skillet over medium-high heat. Add the garlic and cook, stirring constantly so it doesn't burn, for 30-60 seconds.
2. Add the zucchini noodles and sauté for 3-4 minutes, until they start to soften.
3. Stir in the spinach and cook until wilted, 3-4 more minutes.
4. Stir in the nutritional yeast. Cook for an additional 1-2 minutes and season with salt and freshly ground black pepper, to taste. Remove from heat and serve.

THE RECIPES*Sweet Potato &***SAUSAGE HASH****SERVES 2**

This dish hits all of the flavor notes for a satisfying lunch or dinner that's packed with nutrition.

**INGREDIENTS**

- 2 cups (266 g) sweet potatoes, cubed
- 1½ Tbsp avocado oil
- 3 apple chicken sausages, sliced (pre-cooked)
- 10 oz (285 g) bag of shaved Brussels sprouts
- 1 Tbsp apple cider vinegar
- Salt & pepper to taste

**DIRECTIONS**

1. Place the sweet potato cubes in a microwave-safe dish and add ¼ inch (6 mm) of water. Cover the dish and microwave for 3-4 minutes (depending on your microwave). The sweet potatoes should be tender when pierced with a fork. Drain and set aside.
2. While the sweet potatoes are cooking, heat ½ Tbsp of oil in a large skillet over medium heat. Add the sliced sausage and cook until it browns – 4-5 minutes. Carefully remove from pan and set aside.
3. Add remaining 1 Tbsp of avocado oil to the skillet and heat. Add the Brussels sprouts and saute until they begin to soften, 5-7 minutes. If you prefer them a little softer, after a few minutes add 1 Tbsp of water to help them steam and cook for 3-4 more minutes. Stir in the apple cider vinegar.
4. Stir in the sweet potato cubes and sausage, and mix to combine.
5. Season with salt & pepper and serve.

THE RECIPES

Veggie STIR FRY

SERVES 4

You can use fresh or frozen veggies in this fast & convenient recipe. If you use frozen, thaw in the microwave before cooking. To make this a heartier meal, serve over cooked rice or quinoa.

2. While the tofu cooks, in a small bowl mix together the coconut aminos, ginger, and sriracha. Set aside.
3. When the tofu is done cooking, remove it from the pan and add the remaining oil. When it is hot, add the chopped vegetables.
4. Sauté the vegetables until they reach your desired level of softness (5-6 minutes), then pour the prepared sauce over them, stirring often. Add the tofu and cook for another 4-6 minutes.

2. Add the sweetener and cook until the fruit starts to break down, stirring frequently.
